Evacuation & Line Cleaners

Bio Pure Complete Evacuation System Cleaner

Designed with a proprietary microbial formula to restore vacuum line suction to full pump capacity and eliminate daily trap cleaning. Bio-Pure has a neutral pH and is safe for all pump equipment including amalgam separators. The microbial formulation is 100% all natural ingredients and continues to clean between uses. 48 oz maintains 8 ops for 4.5 months.

48 Bio Pure Evacuation System Cleaner
\$255.50

Microbe-Lift/Evac System Cleaner

Specially formulated for evac systems, this highly concentrated gallon contains the highest microbial count in the market today. Microbe-Lift/Evac is very economical to use, one gallon makes 64 gallons of diluted product.

Microbe-Lift/Evac System Cleaner
\$30.50
